

Diamond Creek Community Centre

We continue to work closely with Nillumbik Shire Council, acting on the advice of the relevant authorities, toward a planned re-opening of the gym facilities at Diamond Creek Community Centre. While we're aiming for a Monday 6th July 2020 reopening, the situation remains fluid, so we hope to confirm this in the coming days.

Our key focus is to prepare the centre to ensure the safety of our members and community under the current COVID restrictions. We understand your excitement and eagerness to return and we are working tirelessly to put in place the necessary finishing touches to the re-open.

Further information regarding other programs and services will be available later this week.

In the mean-time Eltham Leisure and the Diamond Valley Sports and Fitness Centre are open to support your health and wellbeing.
